½ Hour Lesson

Spot checks on 'Gasp': Grip, Alignment, Stance & Posture, and fixing swing faults using frame by frame analysis of your swing with coaching video software as well as GC Quad or Trackman. This presents the student with an opportunity to bridge the gap between what they feel is happening and the reality of what is actually.

Yardage Assessment

(Approx: 45 minutes)

Using our state-of-the-art technology GC Quad launch monitor in our Indoor Studio, we can provide you with a full yardage and gap assessment for each club in your bag. We will then give you a full print out of all the readings to take away and assist you on the course.

£35.00
