

LESSON PRICES

30 minute lesson to members - **£30.00**

30 minute lesson to non - members - **£35.00**

1 hour lesson to members - **£55.00**

1 hour lesson to non - members - **£65.00**

This lesson experience is like no other. Not only do you get a precise reading of your ball data after each shot, you also get a visual experience as you would outdoors by watching the ball tracer via the GC2 simulator. Combining this with iPad video analysis and the expertise from our PGA professionals, you are certain to see an improvement.

HOW TO FIND US FROM LECHLADE

Follow the A361 out of Lechlade and head towards Highworth. Over the traffic lights in Highworth on the Swindon Road.

Take the second exit off the small roundabout by The Fox Cafe (B4000, Shrevenham Road). Wrag Barn Golf Club is one mile on the right.

FROM M4

Leave M4 at Junction 15 and follow the A419 heading towards Cirencester leave the A419 at the Highworth turn off. Follow the A361 to Highworth.

Take the third exit off the small roundabout by The Fox Cafe (B4000, Shrevenham Road). Wrag Barn Golf Club is one mile on the right.

YARDAGE ASSESSMENT

Know Your Yardages - **£30.00**

The GC2 launch monitor will give you a full yardage assessment for each club in your bag.

As well as a full print out of all the readings, this information can be sent to you via email, to be used on your mobile device whilst out on the course.

BALL FITTING SESSION

Find Your Perfect Ball - **£30.00**

Another important factor to consider is the type of ball you use, and its performance through the air, not just on and around the greens.

In this session we will test your current golf ball on the GC2 launch monitor and depending on the spin you are producing we will then test different models of golf balls to help improve control and distance.
